01 · ABOUT US

Italian know-how, Egyptian manufacturing.

EGYTALTEX is a well-established Egyptian–Italian garment manufacturer with more than 25 years of experience in textile and apparel production.

Operating from a fully equipped facility in Cairo, we specialise in high-quality knitted garments for export markets. We serve clients in Europe, the United States and Canada, supplying reliable, consistent and compliant production tailored to international standards.

Our strength lies in combining Italian production know-how with competitive manufacturing in Egypt — ensuring quality, flexibility and cost efficiency.

02 · PRODUCTS

What we make

Knitted garments in 100% cotton piqué, jersey and interlock — developed with each client, sampled and produced to order.

01 Polo shirts	02 T-shirts	03 Hoodies & sweatshirts
04 Uniforms & workwear	05 Shorts & sweatpants	06 Jackets

SERVICES ON EVERY ORDER

Private label · Custom branding · Embroidery · Labelling · Garment washing · Packing to client spec

03 · PRODUCTION CAPACITY

Daily capacity	**3,000+ pieces** (depending on style workmanship)
Production lines	**4 sewing lines**
Total employees	**100 skilled workers**
Sampling lead time	**7 days**
Production lead time	**60 days**
Minimum order quantity	**500 pieces per style**

04 · MANUFACTURING CAPABILITIES

Everything under one roof

A comprehensive in-house setup covering every stage of production, so quality and timelines stay fully under our control.

01	02	03	04	05	06
Knitting	Cutting	Sewing	Embroidery	Washing	Finishing

130+ sewing and finishing machines — lockstitch, overlock, flatlock, flat seam, bar tack, hemming and specialty operations — plus high-capacity multi-head embroidery for both bulk and detailed designs.

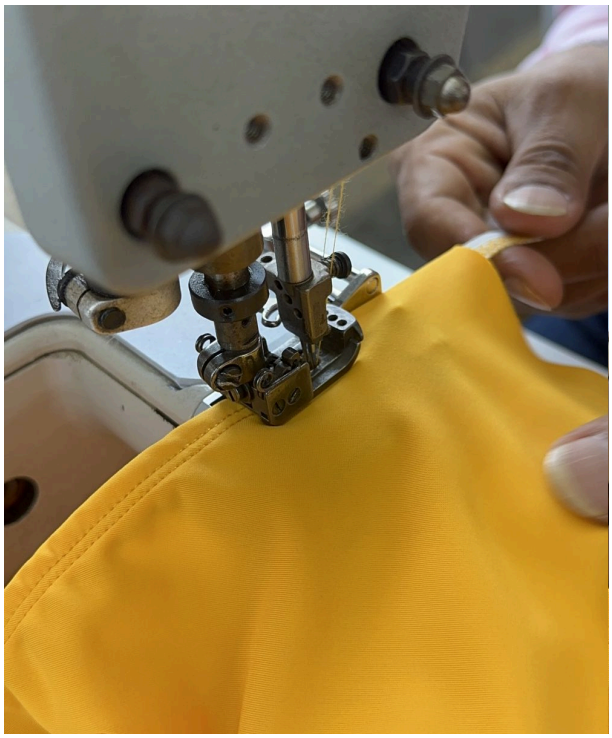

05 · QUALITY CONTROL SYSTEM

Quality is embedded throughout the process. All inspections follow documented procedures aligned with international garment quality standards.

01 **Inline inspection**
During sewing, while faults can still be fixed at the machine.

02 **End-line inspection**
Per production line, as garments leave the line.

03 **Final inspection**
Before packing and shipment, with a transparent report.
